Below are some of the clubs or organizations that I have had some form of education

Wollongong FC have today celebrated with our talented Under 15 team coached by Matt Borg with them winning a tight encounter with Sutherland Sharks 1-0.

The win handed the 15's their minor premiership with the boys finishing 1 point clear of the second placed Blacktown City Demons.

Coach Matt Borg is in his rookie year as a NSW Premier Youth team coach but along with his talented squad has been rewarded for their hard consistent work throughout the year.

The team will now look forward to a final series and hopefully the League and Grand Final Double.

Well Done Matt & the Boys!!!!!!
